Subject: HS Talking Points
Attachments: Q and A _Talking Points HSothealthconcerns_040814.docx; John Ray Response to emails March 2 and Feb 17, 2014.pdf

All,

Confidential:

EPA would like to share some talking points before the upcoming (3) public meetings (how did that happen?). I have highlighted a few areas that will need your attention. Please provide any input you feel necessary before the CTEC meeting tomorrow. I have also attached a response to John Ray on EJ for a reference. Thank you for all the hard work, respect, and shared vision.

Regards,

Nikia
